January 18, 2018

Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

There is nothing like winter on the plains, huh? One afternoon you come in for dinner and it is 60 degrees, wake up the next morning with snow on the ground and ice in your breath. Doesn't help much with the flu season either – take care of yourselves out there.

January 31st is going to be the full moon, a blue moon and a supermoon. In addition, it is also a Total Lunar Eclipse...well, Japan, Australia, Hawaii, etc will have a perfect view. Out here in western Kansas we will have a moderate view which will occur around moon set.

Bison Merc has a lot of new items in for 2018. Like us on Facebook or check us out at www.bisonmerc.com to view our updates. No worries; we only post occasionally and is business related or local events so we don't flood your page. A couple new items for 2018 are our expanded pet section, and KDWPT has decided that certain licenses will be valid for 365 days instead of the previous 'until end of calendar year'. Not a significant deal at this time of year, but if you decide to go fishing in September, the license will be good until September 2019. Visit www.ksoutdoors.com for details.

February 14th is both Ash Wednesday and Valentine's Day. Bison Merc has your cards and gifts on display.

Thank you,

Sincerely,

Jerome Berryman
