Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

Spring is here, and I for one am glad to hang up the heavy coat. However, there is something the experts are calling 'moisture' in the air. Apparently, this is a Middle English era word for condensed or diffused liquid. Well, we shall see.

On the serious end, it is that time of year to keep an eye on the weather and the forecasts, wet or dry. Be aware, be prepared.

Easter will be on Sunday, April 1<sup>st</sup> this year. The annual Easter Egg Hunt will be on Saturday March 31<sup>st</sup> at 2:00 pm.

Sky wise, there will be an average meteor shower, the Lyrids Meteor Shower, peaking on April 22 – 23. The quarter moon will set shortly after midnight and the trails are unusual in the sense that they last a bit longer than normal. Best viewing after midnight.

Bison Merc has opened our greenhouse for garden preparation. We are not anticipating plants until mid April or when the chances of freezing or frost damage are very low.

Again, Thank You, and have a wonderful Spring

Sincerely,

Jerome Berryman
