Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

It has been a fairly mild Summer, and looking at the forecast we are reminded it is still Summer. We are coming up on the Fall hunting seasons. Bison Merc is considering a sale on our outdoor section so be on the lookout. As a reminder, Bison Merc offers KDWPT licenses and we just received our Kansas 2018-2019 Hunting Atlas.

Our greenhouse of however many years has finally had it. We hope to have it repaired or replaced before Fall planting season.

Back to School seems to be going well so far. Bison Merc will continue to display school supplies for a bit longer in case something fell through the cracks.

If you have noticed it is dark at 9:00 already, we are approaching the September Equinox which will be on September 23rd. Daylight Savings this year will be on November 4th.

Again, Thank You

Sincerely,

Jerome Berryman
