Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

Some have noticed that they were missing their end of July statements – the answer is that we did not send out July statements. I was busy at the time and did not have the opportunity to review statements and decided error on the side of accuracy. As always, if you have any questions concerning statements, please contact me. Also, we will soon be implementing an additional carbon copy invoice so that individual transactions can also be mailed to you at the end of the month.

School is back in session, and Bison Merc is back to its normal hours, Monday through Friday 9am to 6pm, Saturday 9am to 3pm.

Our school supplies will remain on shelf for at least another four weeks to take care of Back to School necessities. If the Green House remains usable, we will offer Autumn plants again.

Looking for a washer or dryer? Speed Queen is offering a limited time automatic 10 year warranty program. Speed Queen is a couple dollars more than some of the other brands, but you will know why before your first load is done, and with a 10 year warranty, well worth the extra effort. Stop in a take a look!

Again, thank you for shopping local, and shopping at Bison Mercantile.

Sincerely,

Jerome Berryman
