Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

A few weeks into the new year, and we have been enjoying rather mild temperatures to date and even some moisture. Unfortunately, that little sleet storm may have done in our greenhouse – I've seen more complete dinosaur skeletons than the shape the greenhouse is in.

What this means, is that unless we can patch or replace the exterior before planting, Bison Merc may have to go without plants this year; there just isn't enough room at the moment to protect against a frost, never mind what shape it may be in come April.

Bison Merc has our Valentine's Day items on display, and there is quite a bit of new up. Also, Bison Merc is looking into some more unique snackies, such as Chocolove craft chocolates, some dang good toffee, and Australian style licorice which, if you have never tried it, tends to have a larger variety of flavors and is quite a bit softer than American licorice. These all make great gifts and thank yous.

Finally, Bison Merc is re-vamping our archery section to focus primarily on Bear Archery. Also, Bison Merc is refurbishing our shooting sports supplies, especially ammo, in order to fulfill that service in and around Ashland.

Again, thank you for shopping local, and shopping at Bison Mercantile.

Sincerely,

Jerome Berryman
