Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

Pretty nice August overall. One day I thought our garden was going to blow away, and a week later drainage is mastered. Of course there are days of summer left, but even the 10-day looks encouraging.

At that will bring us into September outdoor season. Bison Merc offers game licenses and a number of outdoor items which will help catch that fish or setup that campsite.

I see the Ashland District Hospital was awarded business of the year; I know they helped us out big time this last half-year. I'd like to recognize all the businesses, and government offices, in town for keeping us up and running – I'm sure I'm not the only one who didn't like the day trip to big store even on a good day. This really is a great place to live.

Another hat tip to USD #220. Agree or disagree, they were handed an impossible question, came up with a plan, and are so far executing that plan quite well, especially compared to what I have been hearing about other districts.

Lastly, Bison Mercantile is planning on offering Autumn Plants.

Thank you for shopping local, and shopping at Bison Mercantile.

Sincerely,

Jerome Berryman
