Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

Autumn plants and holiday items are on display.

October will be visited by a number of meteor showers throughout the month. The weekend of the 16th and 17th will feature a New Moon, so that may be the best time to catch a glance. The full moon, a Blue Moon, will occur on October 31st. Halloween 2020. Bison Mercantile has your outdoor needs; however silver bullets are currently out of stock. Please plan accordingly.

Bison Mercantile continues to provide goods and services, which has required some interesting solutions at times. The good news is that we continue to receive appliances – with a most outstanding delivery scheduled for today including a variety of chest freezers and refrigerators. There is still quite a lag in deliveries so if you, or someone you know, are planning on replacing an appliance please contact us about it as early as possible as delays of 8 weeks or more are possible. We are willing to work with you on special orders because we do not want your money tied up for months awaiting an arrival.

Thank you for your patience.

Thank you for shopping local, and shopping at Bison Mercantile.

Sincerely,

Jerome Berryman
