April 19, 2021

Dear Customer,

Thank you for shopping local, and shopping with us at Bison Merc.

It's the time of year where we play, "What will the weather do today?" One day, its short sleeves, the next, where is my coat? Good Times.

Sunday, May 6<sup>th</sup>, is Mother's Day this year. Though it may not be the right time for flowers as we sit here wondering about frost and freeze warnings. In fact, the weather has stunted, or rather delayed, our Greenhouse inventory gathering.

April 27<sup>th</sup> will feature a Supermoon, likely obscuring the Lynids Meteor Shower. The Eta Quarids Meteor Shower should be far enough away, May 6<sup>th</sup> peak, from the full moon for the above average show to be enjoyed.

Again, Thank you for shopping with us.

Sincerely,

Jerome Berryman
